40Plus Training Course. The 40Plus training course is a unique program designed to facilitate and support career transitions for professionals 40 years of age or older. It is an intensive course that requires participants to be introspective and engaged.

Specific class schedules will be made available before the course begins. The schedule may be revised to accommodate holidays or other events. Additional work is assigned between classes. Classes consist of four to seven participants and are facilitated by two volunteers. Classes are filled on a first-come, first-served basis. All applications are subject to Operations Council approval.

The Active Membership fee is \$650, payable in full before the class starts or in installments as provided in the *40Plus Payment Plan Agreement* which covers the full cost of the class.
